

JINGLE PACKAGE DESCRIPTION

Finally, jingles that don't sound like jingles. STARPOWER™ was designed to be compatible with MODERN AC, CHR and HOT AC... even some alternative formats. These are jingles that sound like the music you play. STARPOWER™ has 7 primary cuts, 6 shotgun versions and a total of over 20 cuts in the final package. You will get extended versions for talk up, or pre-produced promos. Each of the primary cuts is also available in lengths to fit the most popular syndicated formats.
